

ProteoRed

Instituto Nacional de Proteómica, ProteoRed

WGs 3 and 4 Meeting

Barcelona, 10 March 2009, 12:00h to 17:00h

Agenda

1. WG3 planning and status of the new Group structure
2. Results standardization and presentation. When to send/provide MIAPes?
(WG3 y WG4)
3. Results final format (WG4)
4. How to normalize analysis vs. invoicing (WG4)
5. How to act when new services are required (WG4 and Coordination Unit)
6. Proteomics facilities continuous evaluation strategy (WG4)
(how to stimulate the use of ProteoRed Web page as a way to request services)
7. ProteoRed impact evaluation (WG4 and Coordination Unit)
8. Discussion about a future "specialization" in specific techniques within ProteoRed proteomics facilities (WG4 and Coordination Unit)
9. Future actions

Note: lunch will be served from 14h. to 15h.
