

# HUPO 2008 7<sup>TH</sup> WORLD CONGRESS 16–20 August 2008 Amsterdam, NL

## Call for Candidates for the EuPA Young Investigator Prize (PhD)

The European Proteomics Association hereby announces a call for candidates for the EuPA Young Investigator Prize to be awarded at the HUPO2008 7th World Congress in Amsterdam (16 – 20 August 2008). At HUPO2008, a special session will be dedicated to presentations which will be given by the four finalists selected from the submitted abstracts. The winner, judged by a panel after the presentations, will receive € 1.000 and a certificate, sponsored by the Journal of Proteomics. The winner of the Young Investigator Prize will also be announced in several of the major proteomics journals.

### Eligibility

To qualify, candidates must be PhD students at the time of HUPO2008, citizens of an EuPA country and working in a European laboratory. Candidates can either be nominated by senior researchers or by national proteomics societies.

### Submission

Abstracts for this session should be sent with two letters of support to Prof.dr. Concha Gil and must also be submitted via [www.hupo2008.com](http://www.hupo2008.com). Submission is open now and closes at March 5th, 2008.
